

July 31, 2020

Dear PCS High School Students and Parents,

A new school year is approaching, and we are excited to see what it will bring! We wanted to send home a letter so that you would know what supplies you need for our classes. Attached you will find a list of your classes and the supplies needed for each one. Please send the items your student will need on the first day of school, or you may bring them to orientation and leave them in the classroom. If you are unsure of what classes you are in, feel free to call the school (938-2295).

Also, don't forget about the school website, punxsutawneychristianschool.com. We update our pages weekly once school starts with what we will be covering for the week as well as homework assignments.

Again, we are looking forward to the new school year. We pray that we have a year full of blessings and great leaps in learning! If you have any questions for us, you can call the school or email us (btroutmanpcs@gmail.com, dunmirepcs@gmail.com, jmarklepcs@gmail.com, kellyagain1981@gmail.com). Have a great rest of your summer, and God bless!

Sincerely,

Middle/High School Teachers

Thinkwave Online Grades and Assignments

You will be given a code to sign up on Thinkwave at orientation (or the first day of school if you are unable to attend orientation). Create an account on thinkwave.com and enter the code to access grades and assignments for all of your classes. Parents will have their own login so you can message teachers privately through the website.

All Classes: paper (notebooks or composition paper) pens,(please only blue or black ink for assignments that will be turned in) pencils, highlighters (multiple colors), and white-out correction tape/fluid. If you don't want a different binder for each class, get a larger binder and divide into classes.

Every student needs a Scientific calculator (TI-30X IIS is best) and earbuds (any type).
