"Train a child in the way he should go and when he is old he will not turn from it." Proverbs 22:6

June 9, 2021

Dear Families of PCS,

It was decided by the Punxsutawney Christian School Board of Directors at their meeting on June 8, 2021 that face coverings will no longer be required at Punxsutawney Christian School. We do want to continue to be careful about the spread of illnesses and are asking each family to take personal responsibility when it comes to the health of your children and the school in general. Please follow the guidelines set forth that if your child is sick, do not send them to school. We will continue the practice of sending a child home if they become sick while at school. Please also follow the guideline that your child must be fever free for 24 hours without medication before returning to school.

Face coverings and social distancing will still be an option for students and staff at PCS, but will not be required. This decision of the Board of Directors will stand unless a time arises in the future that warrants revisiting this policy.

Thank you for choosing PCS for your children. We are truly blessed by each and every family that enters through our doors.

In His Service,

Punxsutawney Christian School Board of Directors
