

March Newsletter

Here's what has happened in the last month and what's to come!

We have had a lot of fun here at PCS the last few weeks.

The students participated in a coin war fundraiser. Students could bring in dollars and pennies to increase their classroom total, while also bringing in quarters, dimes, and nickles to decrease other class totals. Kindergarten was the big winner and got to enjoy a movie and popcorn.

We started a Get Healthy challenge here at PCS. This is more than just eating our fruits and vegetables. It also included 15 minutes of exercise and reading our Bibles everyday.

We celebrated the 100th day of school! Our theme was "100 Days Brighter." Students all wore bright neon shirts, and teachers had 100th day of school activities in their classroom.

Something new we started at PCS is a student of the week! Teachers nominate students from their class, and every week a student is chosen. Each student of the week receives a \$5 Gift Card to celebrate their accomplishment.

The PCS Archery team has finished their year. We are so excited for 3 of our Elementary boys who finished in the top 30 in the state! These boys will be heading to States this month!

Our annual auction is coming up March 14th! If you would like to help out by donating an item or purchasing a ticket, please reach out to me in the office as soon as possible. It is a catered meal and a night full of fun. This is our biggest fundraiser for the school, and would appreciate your support.

We started our re-enrollment for the 2026-2027 school year! We are hosting an open house Tuesday, March 17th from 5:00-7:00. Our goal for this open house is to invite new families to tour the school and build up the PCS community.

Together, we can make a real difference in the lives of everyone who walks through the door of PCS. Thank you for your continued support!

Ways to be involved

We greatly appreciate and welcome all donations
